Mayor Buonviri began the Workshop with a quick overview and purpose of the Agenda. For the foreseeable future, Workshop purpose will be for **Council** to review ordinances, processes, materials, and to amend accordingly.

Richard Black of **Total Lake Care** was scheduled to present yearly aquaculture results; he will be rescheduled.

Discussions and review of Chapter 6: Buildings and Building Regulations were directed by **Councilwoman Pendley**. Council was provided with paperwork and a link to the *Town Code* prior to the Workshop. The link was inserted within the Agenda. Council and staff are charged with further review.
